- **SORRY, WE NO LONGER DO CUSTOMIZATIONS AND SUBSTITUTIONS LIKE WE USED TO.** We only have one chef who does all the prepping and cooking, due to his old age, he is having difficulty remembering/keeping up with orders if the meal is being customized/substituted. We are also able to get orders out faster and with less error, if we do not do customizations/substitutions.
- **ATTENTION CUSTOMERS WITH ALLERGIES:** Please be aware that our food may contain or come into contact with common allergens, such as dairy, egg, wheat, soybean, tree nuts, peanuts, fish, or shellfish. Please be advised that cross-contamination may occur, as factors beyond our reasonable control may alter the formulations of the food we serve, or manufacturers may change their formulations without our knowledge or common areas used to prepare the food.
- **THE MENU MAY BE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.**
- **NO REFUND OR EXCHANGE!** One of the top problems we have is when someone is ordering for someone else. **We will not be responsible if the customer orders the wrong item(s)** for the person they are ordering for **AND/OR** if they order the wrong item for themselves. We always repeat the order back to the customer (who is ordering) to make sure it's correct before putting the order in (because the food is freshly cooked).
